

Contract duration

We believe that our customers remain devoted to us because of the quality of our services and the unbeatable prices. Among our strongest values, transparency and efficiency summarise best our activity. Therefore we do not bind customers with long term contracts but keep them as short as possible. 4 months sounds like a fair deal for us.

The Contracting Documents concluded for the duration of 4 months can be terminated by one of the Parties at any moment, respecting the provided notice period of one full calendar month following the month during which termination is notified. The notice must be performed via e-mail, fax or SMS.
